

Modular WorkSafe® Light No. 472

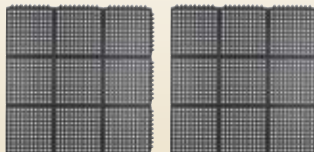

BETTER Performance

Defined by its functional lightweight design, this 3' x 3' interlocking modular drainage mat is ideal for single work areas or to cover large spaces. Innovated for comfort and ease of use, it has a hidden interlocking system that requires no additional bevels or attachment devices. Popular in high maintenance areas, it's lightweight and easy to clean. The exterior edges are safety rounded so additional edging is not necessary. **Available in two (2) compounds:**

- **General Purpose**—Natural Rubber (GR)
- **Grease Proof**—50% Nitrile Rubber (for use around petroleum based fluids, chemicals and caustic agents) (GP)

Mat—Black
Edging—Yellow
