## Rejuvenator Squared Modular Runner

### Group 502-R

Rejuvenator Runners give you the option to create 2' and 3' wide runs of [ergonomic matting](#)...while matching the same clean aesthetic! Our 2'x5' and 3'x5' mats are available in Ends and Centers, so you choose the length of run you want. The molded-in ramps reduce installation time and costs because there is no edging to attach.
