Diamond-Plate SpongeCote Anti-fatigue Floor Mat - Gray

Group 415GY

Diamond-Plate **Anti-fatigue Workstation Mats outperform compared to off-brand floor mats** in the market. The unique Nitricell sponge base of this floor mat delivers twice the resilience and three times the life expectancy of simple PVC sponge anti-fatigue mats. Nitricell is a Nitrile composite that provides exceptional comfort, rebound, and long life. The safety bevel extends the sponge within 3 inches of the mat's surface for more ergonomic standing area and improves traction.

Designed for comfort and optimized worker productivity, these ergonomic floor mats are exceedingly popular among standing workers and workers in motion. Made for industrial strength and easily stands up to multiple shift operations. They are designed to help improve performance while reducing injuries in the workspace.

- National Floor Safety Institute Certified
- Proprietary Nitricell sponge base
- Made in USA
- 9/16" thickness
- Available in black, black w/ yellow borders and black w/ chevron borders

Need a different size? 1' incremental lengths are available! [Simply give us a shout out!](#)
