## FOUNDATION Open Tiles

### Group F02

These 18" x 18" (.46 cm x .46 cm) tiles are for use with the FOUNDATION modular platform system to elevate employees to the proper height for optimum health, safety, and performance. Quickly build and install FOUNDATION in the fraction of the time of traditional platforms. This surprisingly lightweight system provides all the [support](#) your team demands and more! Each 2.75" (7 cm) thick tile boasts a load rating of 400 lbs. and is manufactured of 100% recycled polypropylene to stand up to a wide range of chemicals.

[Available in 3 surface patterns](#), this Open version allows free passage of fluids, debris, and airflow. Traction points provide long-lasting, reliable slip prevention.

- Made from 100% Recycled polypropylene (Post-consumer)
- For use with FOUNDATION modular platform system
- 400 lb. (181.5kg) load capacity per tile
- Elevates workspaces over cords, hoses, and hazards
- Available in singles or in a case of 4
- Made in the USA
