Diamond-Plate SpongeCote Floor Matting - Black with Yellow Borders

Group 415BYL

Diamond-Plate **Anti-fatigue Workstation Mats outperform compared to off-brand floor mats** in the market. The unique Nitricell sponge base delivers twice the resilience and three times the life expectancy of simple PVC sponge anti-fatigue mats. Nitricell is a Nitrile composite that provides exceptional comfort, rebound, and long life. The safety bevel extends the sponge within 3 inches of the mat's surface for more standing area. That's good news for standing workers.

Designed for comfort and optimized worker

productivity, these ergonomic floor mats are exceedingly popular among standing workers and workers in motion. Made for industrial strength and easily stands up to multiple shift operations. The use of anti-fatigue flooring is designed to support an overall increase in worker productivity and provide better traction.

- National Floor Safety Institute Certified
- Proprietary Nitricell sponge base
- Made in USA
- 9/16" thickness
- Also available in gray, black and black w/ chevron borders
- **Need a different size?** 1' incremental lengths are available! [Simply give us a shout out!](#)
