Clean Room Mat Frame

Group 094

The Cleanroom Mat Frame is designed to secure and protect your cleanroom mat on any floor. The heavy-duty frame is designed to prevent your mats from shifting, tearing, or becoming damaged by foot or equipment traffic. The frame is also designed to allow your clean room mat to be moved as needed while preventing tacky residue from sticking to the floor.

Simply peel the clear sheet from the top of the frame to stick the Tacky Mat on then set on any surface.
