Smart Step Supreme - Anti-fatigue Floor Mat by Wellness Mats - Black

Group WM1BK

The Smart Step Supreme anti-fatigue floor mat **makes standing more comfortable by reducing back, neck, leg and foot fatigue that is commonly associated with long-term standing.** Designed to create a healthy barrier between standing workers and the floor, it maximizes comfort and health benefits of floor matting. Smart Step Supreme features a contoured design with 20° ADA-compliant beveled edges that prevent tripping, the Supreme is guaranteed to remain flat (edges will never roll), Plus, the ¾" mat is completely sealed with a slip-resistant top surface and a non-skid bottom, creating a reliable and safe standing environment. Floor mats are **available with yellow borders too.**
