24/SEVEN® LockSafe® MAX Smooth 3 ft x 3 ft Tile - GR

Group 581-GR

[24/SEVEN® LockSafe® MAX](#) combines the benefits of a modular product with all the comfort of an anti-fatigue mat! Each 3 ft x 3 ft (91cm x 91cm) tile features secure, seamless connections on all sides. The **resilient, long-lasting Nitricell sponge base** makes 24/SEVEN® LockSafe® MAX the ultimate solution for prolonged standing in areas big and small.

The male and female connectors feature a flange that locks together and won't come apart until you want them to. Traditional modular rubber mats have passive connections that fail, leaving dangerous, unsightly trip hazards.

24/Seven MAX saves the time and labor of continual assembly and potential workers' comp claims.

Choose 24/SEVEN® LockSafe® MAX for a dependable, safe, ergonomic floor.
