Diamond-Plate with GRITSHIELD™

ANTI-FATIGUE MEETS ANTI-SLIP

Diamond-Plate with GRITSHIELD™ combines productivity improvement with slip prevention in oily overspray applications.

PREMIUM NITRICELL SPONGE

The Nitrile enhanced Nitricell sponge absorbs repeated compression and bounces back to its original form better than any PVC sponge competitor alternative.

| NAME | SIZE | THICKNESS | PART NUMBER | COLOR |
|---|----------|-----------|-------------|-------|
