

## 24/SEVEN® LOCKSAFE® Diamond-Plate No. 579

24/Seven LockSafe® Diamond-Plate® features Wearwell's patented Positive Interlock System. Secure connections, lightweight design, and unmatched flexibility allow assembled sections to be lifted up, rolled up, and rolled away for removal or maintenance. Tiles hold together and only come apart when you want them to.

These large 3'x3' rubber tiles require no tools for assembly making installation to any configuration quick and easy.

## The Ultimate Rubber Mat Solution for areas Large and Small.

Available in two distinct rubber compounds:  
GR (Grease Resistant) for areas with water or dry debris.  
NBR (Nitrile Rubber) for areas with petroleum based fluids.
