ErgoDeck Locksafe Connector-12 Pack

Group 560-EDLC

Changes and scraps happen. Leftover pieces, miss-cuts, and reconfigurations are all part of installations. Now LOCKSAFE Connectors eliminate waste and allow you to add another interlocking edge to leftover ErgoDeck! Get the most out of your ErgoDeck installation with Wearwell's LockSafe Connectors.

- Converts any male ErgoDeck edge into a female edge
- Allows for further ErgoDeck Customization
- Reduces costs by eliminating waste
- Also for use with ErgoDeck Aluminum Ramps and 6" stripes
- 12 LOCKSAFE connectors per pack
