## 24/Seven Open CFR - Interlocking Rubber Floor Tiles 3' x 3'

### Group 572-CFR

24/Seven is the family name for Wearwell's high performance, 91 cm x 91 cm (3' x 3'), interconnecting rubber anti-fatigue mats. These resilient modular mats are 16 mm (5/8") thick and tough enough to handle multiple shifts, but supple enough to provide cushioned support where it's needed. Because of its modularity, 24/Seven can be positioned to cover large flooring areas quickly. Or use as single workstations and assembly lines. For extra safety attach optional 8 x 99 cm (3 x 39") yellow safety beveled edges.
