## 24/Seven® Open NBR - Interlocking Rubber Floor Tiles 3' x 3'

### Group 572-NBR

24/Seven is a collection of high performance, 3'x3' (91 x 91 cm), interconnecting rubber anti-fatigue mats. These resilient modular mats are 5/8" (16mm) thick and tough enough to handle 24/7 shift operations, but supple enough to provide cushioned support where it's needed. Because of its modularity, 24/Seven can be positioned to cover large flooring areas, single workstations and assembly lines. For extra safety attach optional 3 x 39 in. (8 x 99 cm) beveled yellow safety edges. [Check out our NEW & IMPROVED 24/SEVEN LockSafe!](#)
