POWERHOUSE Heavy Duty 3 Channel Straight Cable Protector

Group PWR-3CHHDST

The 3 Channel Heavy Duty POWERHOUSE is the lean and mean brother of the 5 Channel Heavy Duty style. With a built-to-perform 3 channel design, this cable bridge will keep you running while supporting a load of 14,000 lbs. per tire! Larger channels protect thicker cables without increasing overall size.

POWERHOUSE Heavy Duty (HD) 3 Channel Cable Protector

- Supports a maximum of 14,000 lbs per tire
- Black with Yellow Lid
- Covered by a 3 year indoor/1 year outdoor warranty
